INSURANCE FOR SAMPLING OF BIOLOGICAL MATERIAL AND COLLECTION OF HEALTH-RELATED PERSONAL DATA (WITHIN THE SCOPE OF RESEARCH PROJECTS THAT DO NOT QUALIFY AS CLINICAL TRIALS)

CERTIFICATE OF INSURANCE FOR THE ATTENTION OF THE SWISS ASSOCIATION OF ETHICS COMMITTEES (TEMPLATE)

The _____ hereby confirms that it provides insurance coverage to the policyholder or sponsor (if different from policyholder) as indicated below in accordance with the provisions agreed upon in the policy and that this coverage satisfies the requirements which the Human Research Act (HRA) and the Ordinance on Human Research with the Exception of Clinical Trials (HRO) stipulate for insurance coverage for research projects that involve the sampling of biological material or the collection of health-related personal data but which do not qualify as clinical trials.

The indicated limits may have been reduced by previously paid claims.

Note: Insurance certificates should correspond to this template from the point of view of content; their formal layout is up to the insurers.

Note: This certificate of insurance is not valid without the insurer's signature.
